Our Story

Welcome to The Cottage Bakery, your local Family Bakery for over 30 years in Ampthill.

Add a special touch to your gatherings with our delicious buffets, featuring freshly made sandwiches and breakfast treats.

Whether it's for business meetings or special celebrations, we've got your catering needs sorted. Take your pick from our wide buffet menu or let us know your specific preferences.

While we prefer a two-day heads-up for larger buffets, we're also ready for last-minute orders, including platters and small buffets.

Apart from our bakery, we've proudly served local pubs, restaurants, and catering businesses, earning us a trusted reputation in the community.

Your satisfaction matters most, so feel free to give us your feedback to help us improve our buffet offerings.
